Lincoln's TechnologyOne Journey.

A horizontal yellow line spans the width of the image. Three vertical yellow lines descend from this horizontal line to three yellow circles. Each circle contains a white number (01, 02, 03). Below each circle is a white title and a white date. The background is dark with a yellow-to-teal gradient.

A Collaborative
Approach

Challenges

Results

A black and white photograph of a woman in a graduation cap and gown walking through a grand, arched stone corridor. She is smiling and looking slightly to her right. The corridor is lined with large stone columns and arches, creating a sense of depth and perspective. The lighting is dramatic, with strong shadows and highlights. The text "Making life simple for our community" is overlaid on the right side of the image in a white sans-serif font, with the word "community" in yellow.

Making life
simple for our
community

Challenges.

- Visibility of data
- Hard to manage parallel specifications
- Modifying legacy systems to meet Data Futures model

Solutions.

- Visibility of the processing to the data
- Field level data overrides
