

The Agile University Launching our Community

Introducing

Andy Smith
CIO UCL

Sophie Harrison
Director of Delivery
UCL

A silhouette of a black signpost with several directional arrows pointing in different directions. The signpost is positioned on the right side of the frame. The background is a vibrant sunset sky with horizontal bands of orange, red, and blue. The text "Defining moments" is written in a bold, white, sans-serif font in the lower-left corner.

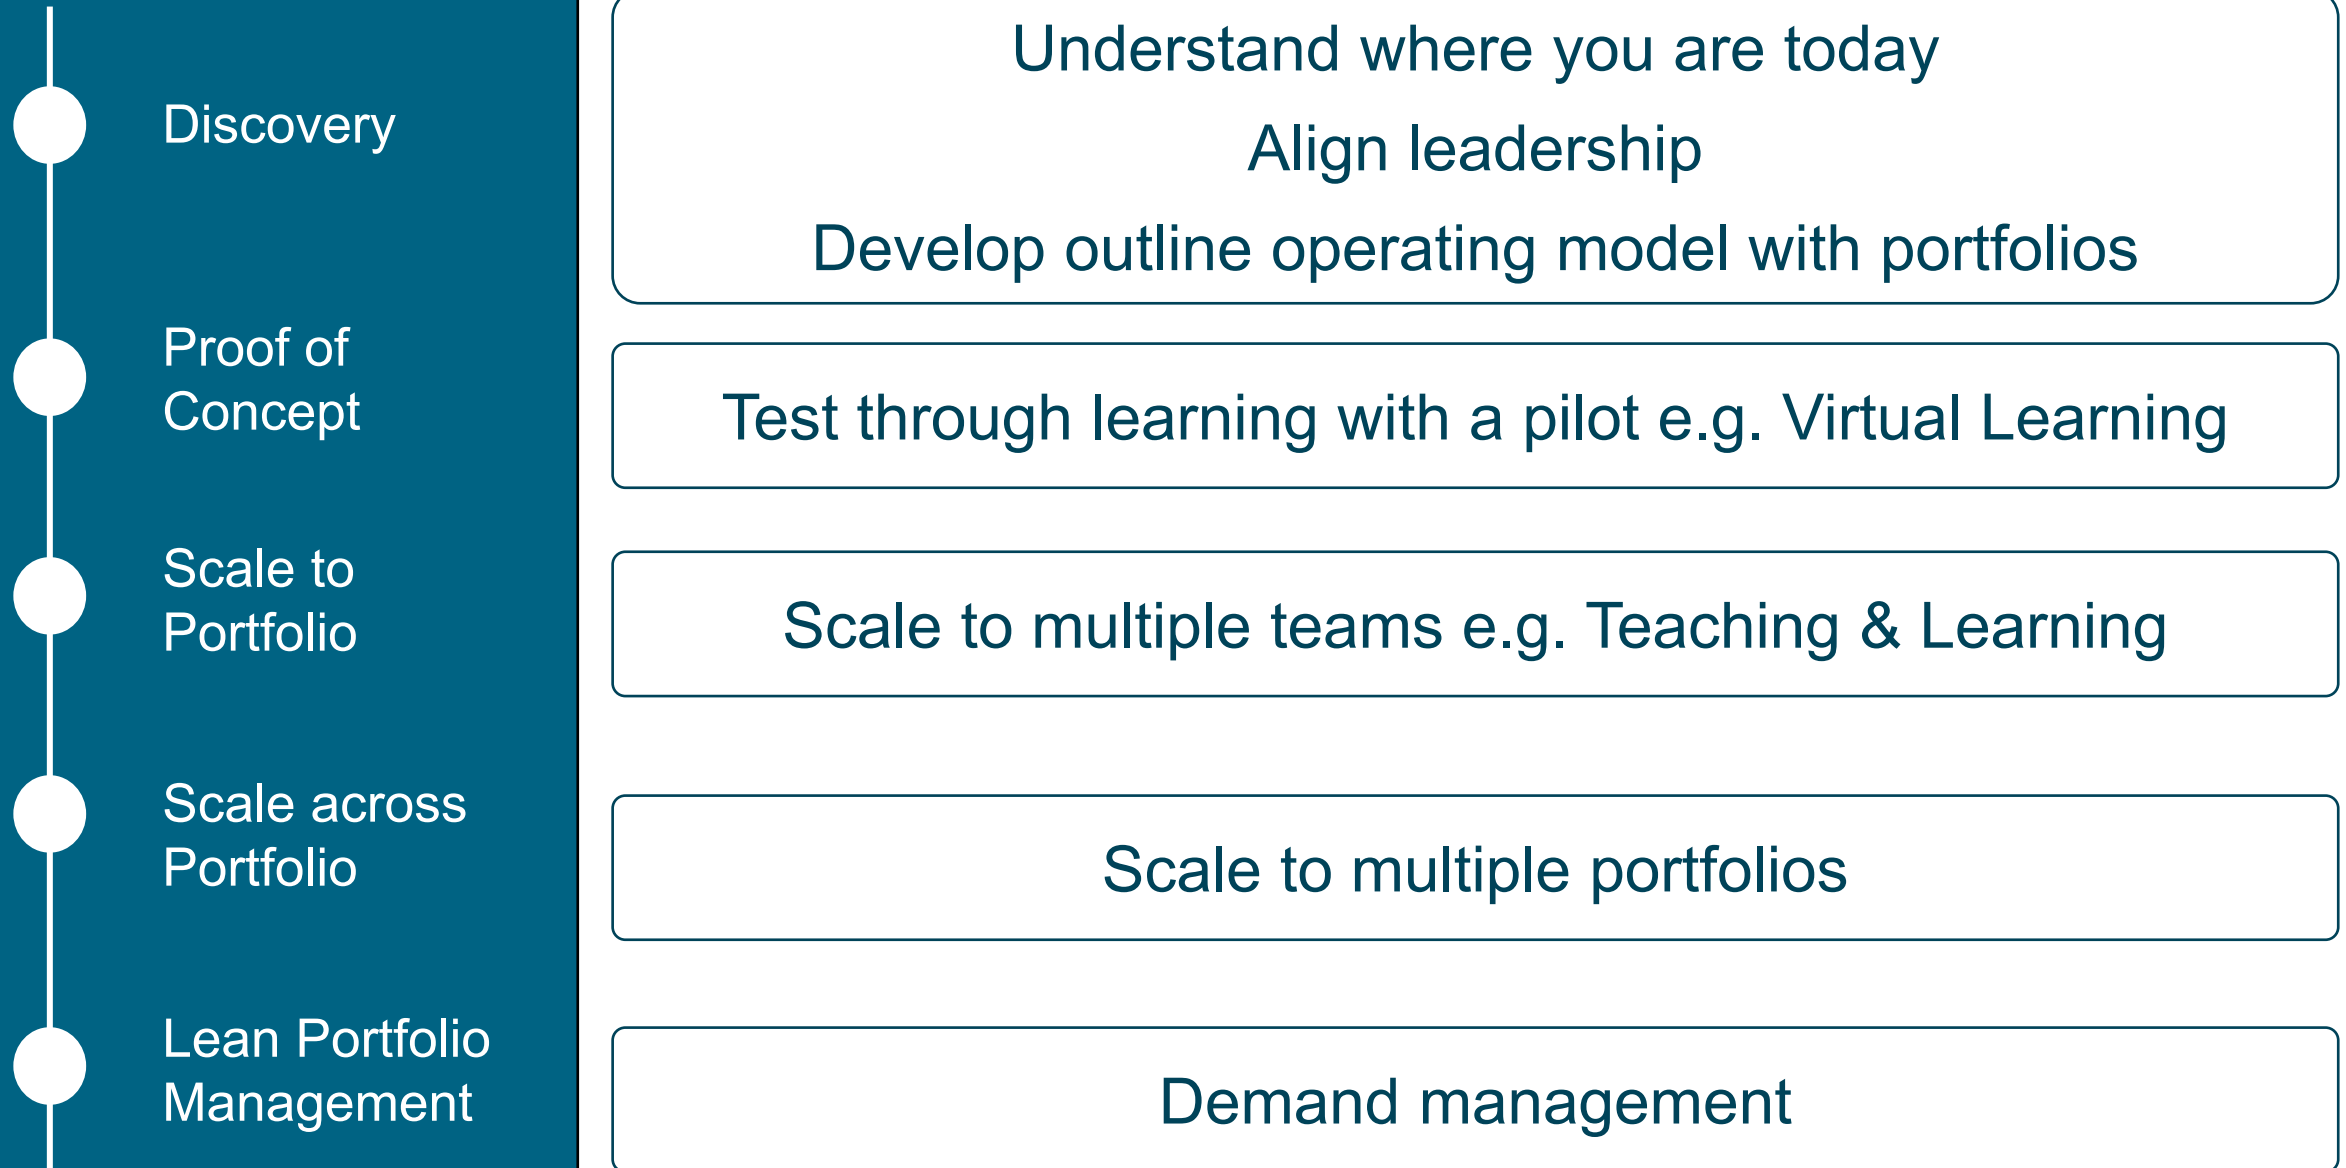

Defining moments

Taking a different approach to deliver change in our institutions:
working in partnership and realising value more quickly

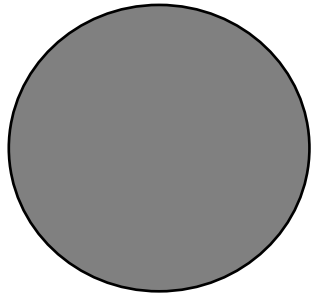

Goal: Successfully launching the community and sharing experience of Agile progress at UK HEIs

Task: Find a Product Owner for this session

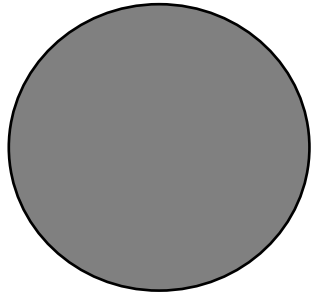

Understanding the journey, no single way

University

Chris Ward
Nottingham Trent University

The Audience?

Agile Open Mic

Information for the community

- We will hold quarterly online sessions covering topics to learn from others and share best practice
- We will have a Teams channel within UCISA to share information and communicate with other members

How you join

Register on the Agile Channel of the PCMG Teamsite

Online Session Plan delivered with PA Consulting

January

*Panel session to discuss learn from others in the COP who are on **the Agile transformation journey***

April

*Panel session **exploring different scaling frameworks** and what works well for higher education institutions*

July

***Unpacking the quarterly planning session.** How helpful is it for institutions? And does running without it work better?*

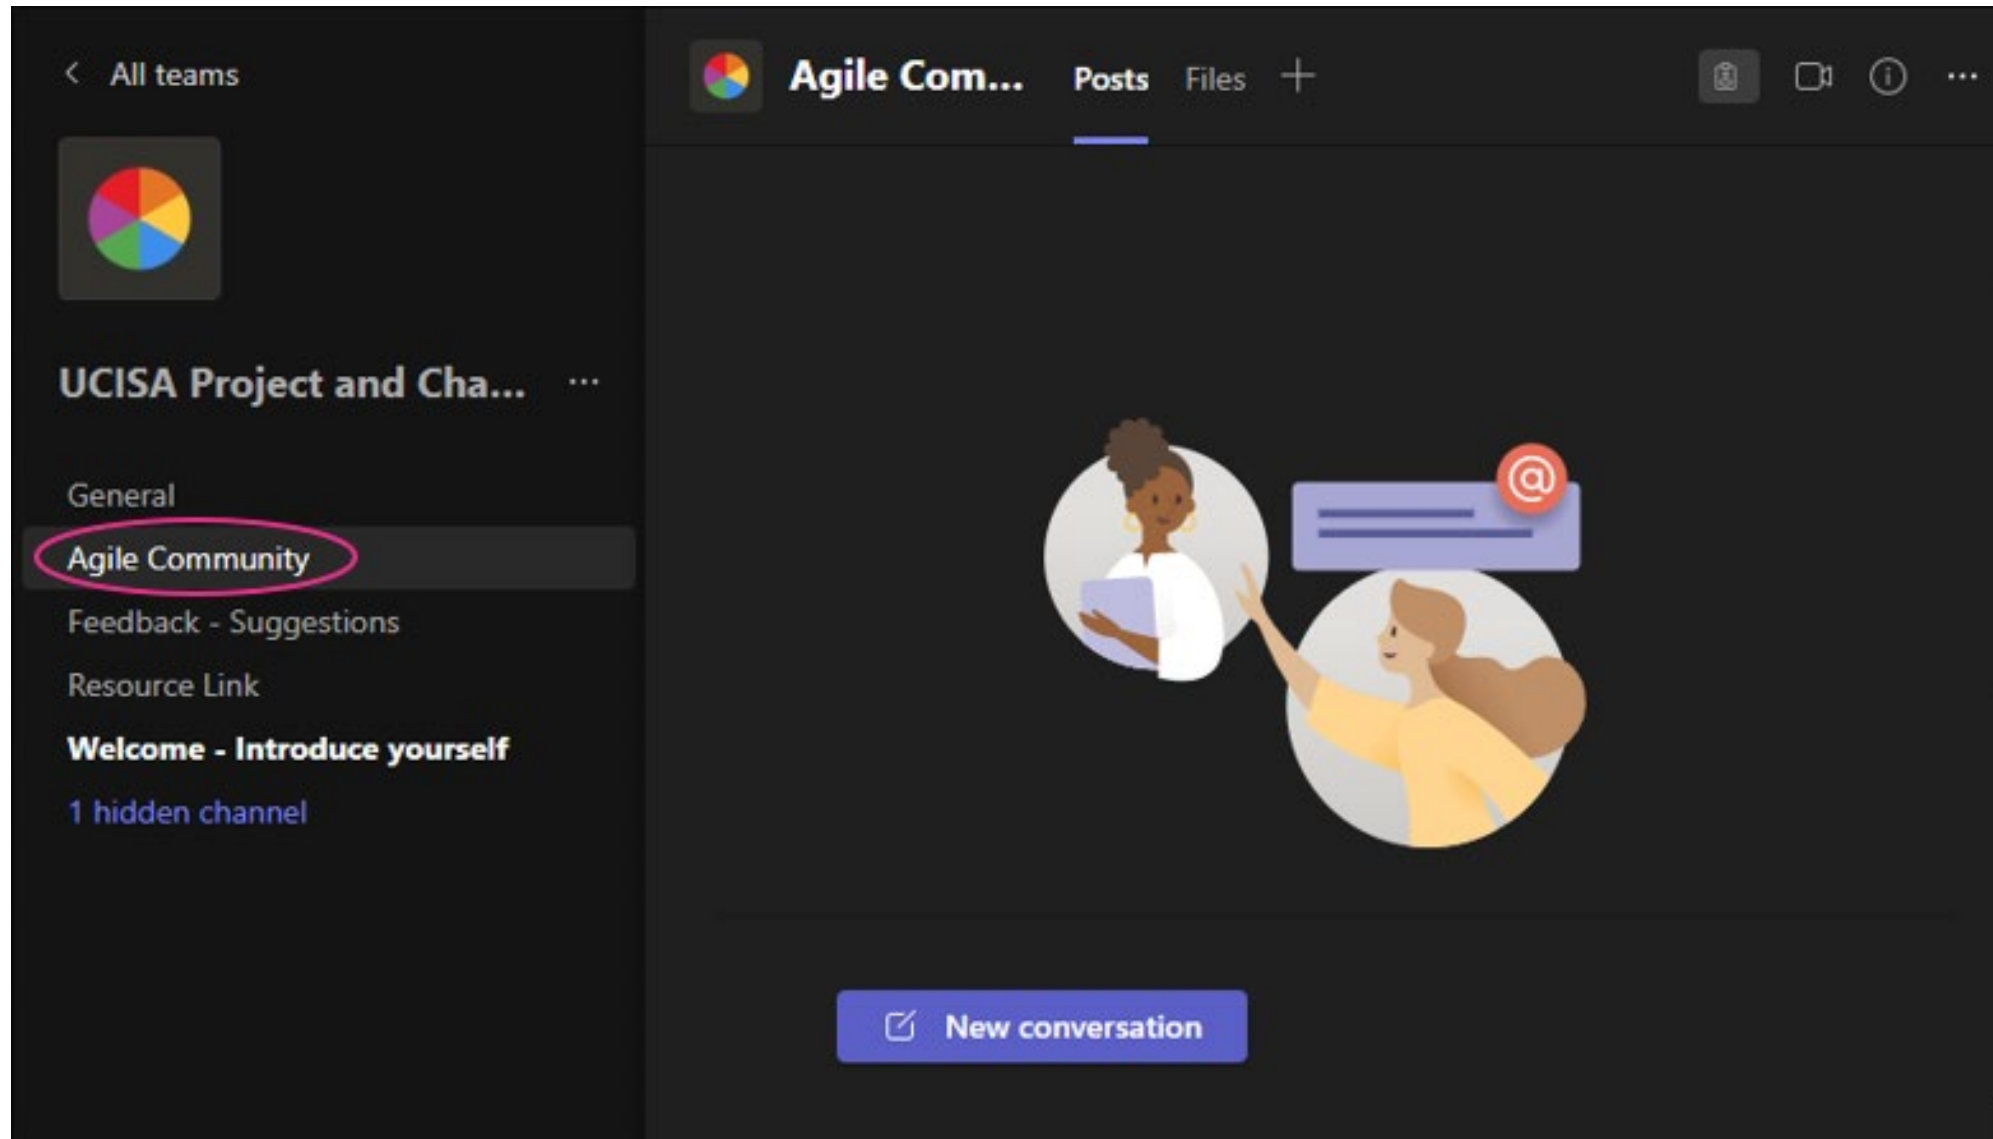

October

*Understanding **meaningful agile metrics for higher education institutions**. Hearing what's worked and what's been learnt along the way*

Working with PA Consulting, who will be supporting the group, we'll aim to shape the sessions based on ongoing feedback of what's most useful

The background of the slide is a photograph of the UCL Library Building, a grand neoclassical structure with a prominent portico of six columns. The building is white with a green roof. In the foreground, there is a red brick courtyard. A few people are sitting on the steps of the building. The sky is blue with some clouds.

Product over Project

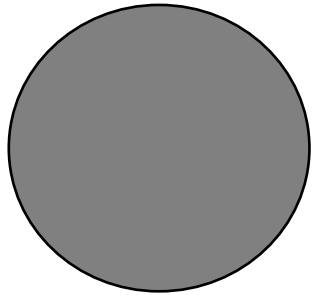

Experience over Technology

Empower over Control

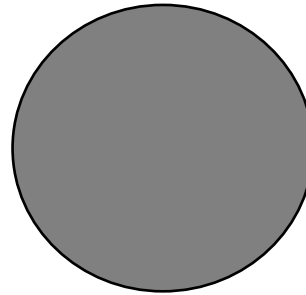

Co-create over Order-take
